Profile Summary

Frontend Developer with **2.5 years** of experience in building **responsive, high-performance web applications** using **Angular** and **TypeScript**. Skilled in writing clean, maintainable code and solving problems efficiently. Committed to staying updated with modern frontend technologies. Also experienced in backend development using **Node.js**, **Express.js**.

Skills

Frontend: Angular, TypeScript, JavaScript, HTML5, SCSS, Angular Material, RxJS

Backend: Node.js (Basic), Express.js, REST API

Tools & Testing: VS Code, Postman, Sourcetree, Git, GitLab, Jest (Unit Testing)

Experience

Centizen Inc,

Tirunelveli

Software Developer

Feb 2023 - Present

ZenBasket (E-commerce Platform)

- Contributed to core modules of a scalable **Angular-based e-commerce platform**, enhancing critical UI features and overall application performance.
- Developed dynamic and reusable UI components using **Angular Forms, Services, Pipes**, and **Angular Material**, improving development efficiency and code maintainability.
- Implemented advanced Angular features such as **Signals** and **NgRx Signal Store** to enable efficient, scalable reactive state management.
- Developed **blog** modules and **customized theme** layouts and text content to enhance functionality and elevate the visual experience of the e-commerce platform.
- Conducted unit testing with **Jest**, consistently maintaining over **90% test coverage** for key UI components.
- Built complex APIs using Node.js and Express.js, enabling smooth communication between client and server layers.
- Maintained high code quality through **clean coding practices**, peer reviews, and a **detail-oriented, solution-driven approach**.

Project

Task Tracker : Angular, Supabase

<https://task-tracker-34do.vercel.app/login>

A lightweight web application built to help users efficiently create, manage, and organize daily tasks. Users can easily add new tasks, update their status to completed, and monitor daily progress. Designed to boost productivity and time management with a clean, responsive, and user-friendly interface.
